## Product Datasheet

### Retrotransposon-Derived Protein PEG10 (PEG10) Antibody, Unconjugated, Rabbit, Polyclonal ABX002092

|                          |                                                                                          |
|--------------------------|------------------------------------------------------------------------------------------|
| Artikelname              | Retrotransposon-Derived Protein PEG10 (PEG10) Antibody, Unconjugated, Rabbit, Polyclonal |
| Artikelnummer            | ABX002092                                                                                |
| Hersteller Artikelnummer | abx002092                                                                                |
| Alternativnummer         | ABX002092-20UL, ABX002092-100UL, ABX002092-2X100UL                                       |
| Hersteller               | Abbexa                                                                                   |
| Wirt                     | Rabbit                                                                                   |
| Kategorie                | Antikörper                                                                               |
| Applikation              | ELISA, IHC, WB                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                        |
| Immunogen                | Recombinant protein corresponding to PEG10. The exact sequence is proprietary.           |
| Konjugation              | Unconjugated                                                                             |
| Klonalität               | Polyclonal                                                                               |
| Konzentration            | > 0.2 mg/ml                                                                              |
| Molekulargewicht         | Calculated MW: 80 kDa Observed MW: 55 kDa                                                |
| NCBI                     | <a href="#">23089</a>                                                                    |
| UniProt                  | <a href="#">Q86TG7</a>                                                                   |

|                  |                                                           |
|------------------|-----------------------------------------------------------|
| Puffer           | PBS, pH 7.3, containing 0.02% sodium azide, 50% glycerol. |
| Formulierung     | Liquid                                                    |
| Target-Kategorie | Retrotransposon-Derived Protein PEG10 (PEG10)             |
| Antibody Type    | Primary Antibody                                          |
