## Product Datasheet

### **Anti-Semaphorin 3B/SEMA3B Antibody Picoband (monoclonal, 9C4F7) Fluoro488 Conjugated, Clone: [Clone: 9C4F7], Mouse, Monoclonal BOB-M06559-FLUORO488**

|                          |                                                                                                                                   |

| Artikelname              | Anti-Semaphorin 3B/SEMA3B Antibody Picoband (monoclonal, 9C4F7)<br>Fluoro488 Conjugated, Clone: [Clone: 9C4F7], Mouse, Monoclonal |
| Artikelnummer            | BOB-M06559-FLUORO488                                                                                                              |
| Hersteller Artikelnummer | M06559-Fluoro488                                                                                                                  |
| Alternativnummer         | BOB-M06559-FLUORO488-100UG                                                                                                        |
| Hersteller               | Boster Bio                                                                                                                        |
| Wirt                     | Mouse                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                        |
| Applikation              | FC                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                 |
| Immunogen                | E.coli-derived human Semaphorin 3B/SEMA3B recombinant protein<br>(Position: Y55-R624).                                            |
| Klonalität               | Monoclonal                                                                                                                        |
| Klon-Bezeichnung         | [Clone: 9C4F7]                                                                                                                    |
| NCBI                     | <a href="#">7869</a>                                                                                                              |
| UniProt                  | <a href="#">Q13214</a>                                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                       |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Semaphorin-3B                                                        |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
