| Hersteller               | Boster Bio                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                 |
| Applikation              | FC, ICC, IHC, WB                                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                          |
| Immunogen                | Recombinant protein within human VTI1B aa 3-230.                                                                                                                           |
| Produktbeschreibung      | Boster Bio Anti-VTI1B Antibody (Monoclonal, 34V57) catalog M07432. Tested in WB, IHC, ICC/IF, Flow Cytometry applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                                                 |
| Konzentration            | 500 µg/ml                                                                                                                                                                  |
| Klon-Bezeichnung         | [Clone: 34V57]                                                                                                                                                             |
| UniProt                  | <a href="#">Q9UEU0</a>                                                                                                                                                     |

|                        |                                                                                                                                                                                                                                                                  |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Rabbit IgG in stabilizing components, phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. This antibody is supplied in a stabilized formulation. Compatibility with conjugation reactions depends on the chemistry of the conjug |
| Formulierung           | Liquid                                                                                                                                                                                                                                                           |
| Application Verdünnung | Western blot, 1:500-2000 Immunohistochemistry, 1:50-200 Immunocytochemistry/Immunofluorescence, 1:50-200 Flow Cytometry (Fixed), 1:50-200                                                                                                                        |
