## Product Datasheet

### Anti-Insulin-like growth factor I IGF1 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-PA1374-BIOTIN

|                          |                                                                                                                                                    |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Insulin-like growth factor I IGF1 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                     |
| Artikelnummer            | BOB-PA1374-BIOTIN                                                                                                                                  |
| Hersteller Artikelnummer | PA1374-Biotin                                                                                                                                      |
| Alternativnummer         | BOB-PA1374-BIOTIN-100UG                                                                                                                            |
| Hersteller               | Boster Bio                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                         |
| Applikation              | ELISA, IHC, WB                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                  |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human IGF-1, different from the mouse and rat sequences by one amino acid. |
| Klonalität               | Polyclonal                                                                                                                                         |
| Molekulargewicht         | Calculated Molecular Weight: 21841 MW                                                                                                              |
| NCBI                     | <a href="#">3479</a>                                                                                                                               |
| UniProt                  | <a href="#">P05019</a>                                                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                        |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                                                                                                                                                          |
| Formulierung           | Liquid                                                                                                                                                                                                                                |
| Target-Kategorie       | Insulin-like growth factor 1                                                                                                                                                                                                          |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
