## Product Datasheet

### Anti-Prospero homeobox protein 1 PROX1 Antibody Picoband PE Conjugated, Rabbit, Polyclonal BOB-PA2229-PE

|                          |                                                                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Prospero homeobox protein 1 PROX1 Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                             |
| Artikelnummer            | BOB-PA2229-PE                                                                                                                          |
| Hersteller Artikelnummer | PA2229-PE                                                                                                                              |
| Alternativnummer         | BOB-PA2229-PE-100UG                                                                                                                    |
| Hersteller               | Boster Bio                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                             |
| Applikation              | FC                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                      |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human PROX1, identical to the related mouse and rat sequences. |
| Klonalität               | Polyclonal                                                                                                                             |
| Molekulargewicht         | Calculated Molecular Weight: 83203 MW                                                                                                  |
| NCBI                     | <a href="#">5629</a>                                                                                                                   |
| UniProt                  | <a href="#">Q92786</a>                                                                                                                 |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                            |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Prospero homeobox protein 1                                          |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
