## Product Datasheet

### Anti-HLTF Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-PB10070-FITC

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-HLTF Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                   |
| Artikelnummer            | BOB-PB10070-FITC                                                                                                                                  |
| Hersteller Artikelnummer | PB10070-FITC                                                                                                                                      |
| Alternativnummer         | BOB-PB10070-FITC-100UG                                                                                                                            |
| Hersteller               | Boster Bio                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                        |
| Applikation              | FC                                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                 |
| Immunogen                | E. coli-derived human HLTF recombinant protein (Position: S911-L1009). Human HLTF shares 92.9% amino acid (aa) sequence identity with mouse HLTF. |
| Klonalität               | Polyclonal                                                                                                                                        |
| Molekulargewicht         | Calculated Molecular Weight: 113929 MW                                                                                                            |
| NCBI                     | <a href="#">6596</a>                                                                                                                              |
| UniProt                  | <a href="#">Q14527</a>                                                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                       |
| Reinheit                 | Immunogen affinity purified.                                                                                                                      |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Helicase-like transcription factor                                   |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
