## Product Datasheet

### Anti-MPP1 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal BOB-PB10078-FLUORO647

|                          |                                                                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-MPP1 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                                                          |
| Artikelnummer            | BOB-PB10078-FLUORO647                                                                                                                         |
| Hersteller Artikelnummer | PB10078-Fluoro647                                                                                                                             |
| Alternativnummer         | BOB-PB10078-FLUORO647-100UG                                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                    |
| Applikation              | FC                                                                                                                                            |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                             |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human MPP1, different from the related mouse sequence by one amino acid. |
| Klonalität               | Polyclonal                                                                                                                                    |
| Molekulargewicht         | Calculated Molecular Weight: 52296 MW                                                                                                         |
| NCBI                     | <a href="#">4354</a>                                                                                                                          |
| UniProt                  | <a href="#">Q00013</a>                                                                                                                        |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                   |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | 55 kDa erythrocyte membrane protein                                  |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
