## Product Datasheet

### Anti-ADFP/PLIN2 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-PB10083-FITC

|                          |                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-ADFP/PLIN2 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                            |
| Artikelnummer            | BOB-PB10083-FITC                                                                                                                                 |
| Hersteller Artikelnummer | PB10083-FITC                                                                                                                                     |
| Alternativnummer         | BOB-PB10083-FITC-100UG                                                                                                                           |
| Hersteller               | Boster Bio                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                       |
| Applikation              | FC                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                            |
| Immunogen                | E. coli-derived human ADFP recombinant protein (Position: K226-Q418). Human ADFP shares 88.4% amino acid (aa) sequence identity with mouse ADFP. |
| Klonalität               | Polyclonal                                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 48 kDa                                                                                                              |
| NCBI                     | <a href="#">123</a>                                                                                                                              |
| UniProt                  | <a href="#">Q99541</a>                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                      |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Perilipin-2                                                          |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
