| Alternativnummer         | BOB-PB9021-CY3-100UG                                                                                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                                                                                                     |
| Kategorie                | Antikörper                                                                                                                                                                                                 |
| Applikation              | FC                                                                                                                                                                                                         |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                                                                                                 |
| Immunogen                | E.coli-derived rat Serum Amyloid P recombinant protein (Position: Q21-S228). Rat Serum Amyloid P shares 72% and 80% amino acid (aa) sequences identity with human and mouse Serum Amyloid P, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                                                 |
| Molekulargewicht         | Calculated Molecular Weight: 26176 MW                                                                                                                                                                      |
| NCBI                     | <a href="#">29339</a>                                                                                                                                                                                      |
| UniProt                  | <a href="#">P23680</a>                                                                                                                                                                                     |

|                        |                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Reinheit               | Immunogen affinity purified.                                                                                 |
| Formulierung           | Liquid                                                                                                       |
| Target-Kategorie       | Serum amyloid P-component                                                                                    |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                                                                |
