| Alternativnummer         | BOB-PB9300-PE-100UG                                                                                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                                                           |
| Applikation              | FC                                                                                                                                                                                                   |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                                                           |
| Immunogen                | E.coli-derived human Neuropilin 1 recombinant protein (Position: K504-T827). Human Neuropilin 1 shares 95% and 94% amino acid (aa) sequences identity with mouse and rat Neuropilin 1, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                                           |
| Molekulargewicht         | Calculated Molecular Weight: 103134 MW                                                                                                                                                               |
| NCBI                     | <a href="#">8829</a>                                                                                                                                                                                 |
| UniProt                  | <a href="#">O14786</a>                                                                                                                                                                               |

|                        |                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Reinheit               | Immunogen affinity purified.                                                                                 |
| Formulierung           | Liquid                                                                                                       |
| Target-Kategorie       | Neuropilin-1                                                                                                 |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users.                                         |
