### Anti-Peroxiredoxin 3/PRDX3 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal BOB-PB9349-HRP

|                          |                                                                                                                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Peroxiredoxin 3/PRDX3 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                                                             |
| Artikelnummer            | BOB-PB9349-HRP                                                                                                                                                                              |
| Hersteller Artikelnummer | PB9349-HRP                                                                                                                                                                                  |
| Alternativnummer         | BOB-PB9349-HRP-100UG                                                                                                                                                                        |
| Hersteller               | Boster Bio                                                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                  |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                              |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                           |
| Immunogen                | E.coli-derived human Peroxiredoxin 3 recombinant protein (Position: T110-Q256). Human Peroxiredoxin 3 shares 93% amino acid (aa) sequence identity with both mouse and rat Peroxiredoxin 3. |
| Klonalität               | Polyclonal                                                                                                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 27693 MW                                                                                                                                                       |
| NCBI                     | <a href="#">10935</a>                                                                                                                                                                       |
| UniProt                  | <a href="#">P30048</a>                                                                                                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                         |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                                                                                                                                                          |
| Formulierung           | Liquid                                                                                                                                                                                                                                |
| Target-Kategorie       | Thioredoxin-dependent peroxide reductase, mitochondrial                                                                                                                                                                               |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
