| Artikelname              | Anti-TGF beta Receptor II/TGFBR2 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                                                                     |
| Artikelnummer            | BOB-PB9829-HRP                                                                                                                                                                                            |
| Hersteller Artikelnummer | PB9829-HRP                                                                                                                                                                                                |
| Alternativnummer         | BOB-PB9829-HRP-100UG                                                                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                                                |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                                                                                                     |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human TGFBR2, different from the related mouse sequence by five amino acids, and from the related rat sequence by eight amino acids. |
| Klonalität               | Polyclonal                                                                                                                                                                                                |
| Molekulargewicht         | Calculated Molecular Weight: 64568 MW                                                                                                                                                                     |
| NCBI                     | <a href="#">7048</a>                                                                                                                                                                                      |
| UniProt                  | <a href="#">P37173</a>                                                                                                                                                                                    |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                                       |

|                        |                                                                                                                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                                                                                                                                                          |
| Formulierung           | Liquid                                                                                                                                                                                                                                |
| Target-Kategorie       | TGF-beta receptor type-2                                                                                                                                                                                                              |
| Application Verdünnung | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
