## Product Datasheet

### Anti-Transcription factor MafA MAFA Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal BOB-RP1066-FLUORO550

|                          |                                                                                                                              |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Transcription factor MafA MAFA Antibody Picoband Fluoro550<br>Conjugated, Rabbit, Polyclonal                            |
| Artikelnummer            | BOB-RP1066-FLUORO550                                                                                                         |
| Hersteller Artikelnummer | RP1066-Fluoro550                                                                                                             |
| Alternativnummer         | BOB-RP1066-FLUORO550-100UG                                                                                                   |
| Hersteller               | Boster Bio                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                   |
| Applikation              | FC                                                                                                                           |
| Spezies Reaktivität      | Human, Rat                                                                                                                   |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human MAFA, identical to the related mouse sequence. |
| Klonalität               | Polyclonal                                                                                                                   |
| Molekulargewicht         | Calculated Molecular Weight: 36982 MW                                                                                        |
| NCBI                     | <a href="#">389692</a>                                                                                                       |
| UniProt                  | <a href="#">Q8NHW3</a>                                                                                                       |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                  |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Transcription factor MafA                                            |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
