### Anti-SFRP4 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal BOB-RP1067-CY3

|                          |                                                                                                                                                                                  |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-SFRP4 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                                                                  |
| Artikelnummer            | BOB-RP1067-CY3                                                                                                                                                                   |
| Hersteller Artikelnummer | RP1067-Cy3                                                                                                                                                                       |
| Alternativnummer         | BOB-RP1067-CY3-100UG                                                                                                                                                             |
| Hersteller               | Boster Bio                                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                       |
| Applikation              | FC                                                                                                                                                                               |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                                       |
| Immunogen                | E.coli-derived human SFRP4 recombinant protein (Position: E140-V346). Human SFRP4 shares 90% and 90.3% amino acid (aa) sequence identity with mouse and rat SFRP4, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 39827 MW                                                                                                                                            |
| NCBI                     | <a href="#">6424</a>                                                                                                                                                             |
| UniProt                  | <a href="#">Q6FHJ7</a>                                                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                      |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                     |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Secreted frizzled-related protein 4           |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
