## Product Datasheet

### **Anti-YB1/Ybx1 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal BOB-A01054-1-FLUORO488**

|                          |                                                                                                                                 |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-YB1/Ybx1 Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                        |
| Artikelnummer            | BOB-A01054-1-FLUORO488                                                                                                          |
| Hersteller Artikelnummer | A01054-1-Fluoro488                                                                                                              |
| Alternativnummer         | BOB-A01054-1-FLUORO488-100UG                                                                                                    |
| Hersteller               | Boster Bio                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                      |
| Applikation              | FC                                                                                                                              |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                      |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of mouse YB1/Ybx1, identical to the related rat sequences. |
| Klonalität               | Polyclonal                                                                                                                      |
| Molekulargewicht         | Calculated Molecular Weight: 40574 MW                                                                                           |
| NCBI                     | <a href="#">22608</a>                                                                                                           |
| UniProt                  | <a href="#">P62960</a>                                                                                                          |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                     |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Y-box-binding protein 1                                              |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
