## Product Datasheet

### Anti-PGAM1 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal BOB-A04470-2-FLUORO550

|                          |                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-PGAM1 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                        |
| Artikelnummer            | BOB-A04470-2-FLUORO550                                                                                       |
| Hersteller Artikelnummer | A04470-2-Fluoro550                                                                                           |
| Alternativnummer         | BOB-A04470-2-FLUORO550-100UG                                                                                 |
| Hersteller               | Boster Bio                                                                                                   |
| Wirt                     | Rabbit                                                                                                       |
| Kategorie                | Antikörper                                                                                                   |
| Applikation              | FC                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                            |
| Immunogen                | E.coli-derived human PGAM1 recombinant protein (Position: Q43-K254).                                         |
| Klonalität               | Polyclonal                                                                                                   |
| Molekulargewicht         | Calculated Molecular Weight: 128770 MW                                                                       |
| NCBI                     | <a href="#">5223</a>                                                                                         |
| UniProt                  | <a href="#">P18669</a>                                                                                       |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> N. |
| Reinheit                 | Immunogen affinity purified.                                                                                 |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Phosphoglycerate mutase 1                                            |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
