## Product Datasheet

### Anti-IRS4 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal BOB-A04616-1-FLUORO550

|                          |                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-IRS4 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                             |
| Artikelnummer            | BOB-A04616-1-FLUORO550                                                                                                                           |
| Hersteller Artikelnummer | A04616-1-Fluoro550                                                                                                                               |
| Alternativnummer         | BOB-A04616-1-FLUORO550-100UG                                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                       |
| Applikation              | FC                                                                                                                                               |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                |
| Immunogen                | E.coli-derived human IRS4 recombinant protein (Position: R145-E1077). Human IRS4 shares 77.6% amino acid (aa) sequence identity with mouse IRS4. |
| Klonalität               | Polyclonal                                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 52588 MW                                                                                                            |
| NCBI                     | <a href="#">8471</a>                                                                                                                             |
| UniProt                  | <a href="#">O14654</a>                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                      |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                         |
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Insulin receptor substrate 4                                         |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
