## Product Datasheet

### Anti-BRSK2 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal BOB-A05321-2-FLUORO647

|                          |                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-BRSK2 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                        |
| Artikelnummer            | BOB-A05321-2-FLUORO647                                                                                       |
| Hersteller Artikelnummer | A05321-2-Fluoro647                                                                                           |
| Alternativnummer         | BOB-A05321-2-FLUORO647-100UG                                                                                 |
| Hersteller               | Boster Bio                                                                                                   |
| Wirt                     | Rabbit                                                                                                       |
| Kategorie                | Antikörper                                                                                                   |
| Applikation              | FC                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                            |
| Immunogen                | E.coli-derived human BRSK2 recombinant protein (Position: M250-P736).                                        |
| Klonalität               | Polyclonal                                                                                                   |
| Molekulargewicht         | Calculated Molecular Weight: 39411 MW                                                                        |
| NCBI                     | <a href="#">9024</a>                                                                                         |
| UniProt                  | <a href="#">Q8IWQ3</a>                                                                                       |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> N. |
| Reinheit                 | Immunogen affinity purified.                                                                                 |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Serine/threonine-protein kinase BRSK2                                |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
