### Anti-PDCD2 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal BOB-A07247-1-CY3

|                          |                                                                                                                                                                                  |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-PDCD2 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                                                                  |
| Artikelnummer            | BOB-A07247-1-CY3                                                                                                                                                                 |
| Hersteller Artikelnummer | A07247-1-Cy3                                                                                                                                                                     |
| Alternativnummer         | BOB-A07247-1-CY3-100UG                                                                                                                                                           |
| Hersteller               | Boster Bio                                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                       |
| Applikation              | FC                                                                                                                                                                               |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                |
| Immunogen                | E.coli-derived human PDCD2 recombinant protein (Position: R7-Q254). Human PDCD2 shares 82.2% and 81.7% amino acid (aa) sequence identity with mouse and rat PDCD2, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 39 kDa                                                                                                                                              |
| NCBI                     | <a href="#">5134</a>                                                                                                                                                             |
| UniProt                  | <a href="#">Q16342</a>                                                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> N.                                                                     |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                     |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Programmed cell death protein 2                                      |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
