### Anti-TIMM50 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal BOB-A10056-2-CY3

|                          |                                                                                                                                                     |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-TIMM50 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                                    |
| Artikelnummer            | BOB-A10056-2-CY3                                                                                                                                    |
| Hersteller Artikelnummer | A10056-2-Cy3                                                                                                                                        |
| Alternativnummer         | BOB-A10056-2-CY3-100UG                                                                                                                              |
| Hersteller               | Boster Bio                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                          |
| Applikation              | FC                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                   |
| Immunogen                | E.coli-derived human TIMM50 recombinant protein (Position: F8-Q324). Human TIMM50 shares 92.7% amino acid (aa) sequence identity with mouse TIMM50. |
| Klonalität               | Polyclonal                                                                                                                                          |
| Molekulargewicht         | Calculated Molecular Weight: 40 kDa                                                                                                                 |
| NCBI                     | <a href="#">92609</a>                                                                                                                               |
| UniProt                  | <a href="#">Q3ZCQ8</a>                                                                                                                              |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> N.                                        |
| Reinheit                 | Immunogen affinity purified.                                                                                                                        |

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| Formulierung           | Liquid                                                               |
| Target-Kategorie       | Mitochondrial import inner membrane translocase subunit TIM50        |
| Application Verdünnung | Flow Cytometry, Optimal dilutions should be determined by end users. |
