### Anti-PLEKHB1 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal BOB-A11037-1-CY3

|                          |                                                                                                                                                                                         |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-PLEKHB1 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                                                                       |
| Artikelnummer            | BOB-A11037-1-CY3                                                                                                                                                                        |
| Hersteller Artikelnummer | A11037-1-Cy3                                                                                                                                                                            |
| Alternativnummer         | BOB-A11037-1-CY3-100UG                                                                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                                                              |
| Wirt                     | Rabbit                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                              |
| Applikation              | FC                                                                                                                                                                                      |
| Spezies Reaktivität      | Human, Monkey, Mouse, Rat                                                                                                                                                               |
| Immunogen                | E.coli-derived human PLEKHB1 recombinant protein (Position: H82-S214). Human PLEKHB1 shares 93.9% and 92.4% amino acid (aa) sequence identity with mouse and rat PLEKHB1, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                              |
| Molekulargewicht         | Calculated Molecular Weight: 52588 MW                                                                                                                                                   |
| NCBI                     | <a href="#">58473</a>                                                                                                                                                                   |
| UniProt                  | <a href="#">Q9UF11</a>                                                                                                                                                                  |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                                                            |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                            |

|                        |                                                         |
|------------------------|---------------------------------------------------------|
| Formulierung           | Liquid                                                  |
| Target-Kategorie       | Pleckstrin homology domain-containing family B member 1 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells           |
