## Product Datasheet

### **SARS-CoV-2 S Protein Mouse Monoclonal Antibody [Clone ID: OTI3H6], IgG2b, Clone: [OTI3H6], Unconjugated BYT-ORB1325813**

|                          |                                                                                                         |
|--------------------------|---------------------------------------------------------------------------------------------------------|
| Artikelname              | SARS-CoV-2 S Protein Mouse Monoclonal Antibody [Clone ID: OTI3H6], IgG2b, Clone: [OTI3H6], Unconjugated |
| Artikelnummer            | BYT-ORB1325813                                                                                          |
| Hersteller Artikelnummer | orb1325813                                                                                              |
| Alternativnummer         | BYT-ORB1325813-100                                                                                      |
| Hersteller               | Biorbyt                                                                                                 |
| Wirt                     | Mouse                                                                                                   |
| Kategorie                | Antikörper                                                                                              |
| Applikation              | ELISA, WB                                                                                               |
| Spezies Reaktivität      | Virus                                                                                                   |
| Immunogen                | Recombinant SARS-CoV-2 Spike-RBD protein produced in E.coli.                                            |
| Konjugation              | Unconjugated                                                                                            |
| Produktbeschreibung      | Mouse monoclonal antibody to SARS-CoV-2 S Protein...                                                    |
| Klonalität               | Monoclonal                                                                                              |
| Klon-Bezeichnung         | [OTI3H6]                                                                                                |
| Isotyp                   | IgG2b                                                                                                   |
| Application Verdünnung   | WB 1:500-1000, ELISA 1:5000-10002                                                                       |

|                        |                                                                                                                                                                                                                                                                        |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Anwendungsbeschreibung | Application Notes: For reconstitution, we recommend adding 100uL distilled water to a final antibody concentration of about 1 mg/mL. To use this carrier-free antibody for conjugation experiment, we strongly recommend performing another round of desalting process |
