## Product Datasheet

### **B2M Antibody, IgG2b, Clone: [B2M/961], Unconjugated, Mouse, Monoclonal BYT-ORB388596**

|                          |                                                                        |
|--------------------------|------------------------------------------------------------------------|
| Artikelname              | B2M Antibody, IgG2b, Clone: [B2M/961], Unconjugated, Mouse, Monoclonal |
| Artikelnummer            | BYT-ORB388596                                                          |
| Hersteller Artikelnummer | orb388596                                                              |
| Alternativnummer         | BYT-ORB388596-100,BYT-ORB388596-20                                     |
| Hersteller               | Biorbyt                                                                |
| Wirt                     | Mouse                                                                  |
| Kategorie                | Antikörper                                                             |
| Applikation              | FC, IF, IHC, WB                                                        |
| Spezies Reaktivität      | Human, Primate                                                         |
| Immunogen                | Full length recombinant human B2M protein                              |
| Konjugation              | Unconjugated                                                           |
| Produktbeschreibung      | Mouse monoclonal antibody to B2M...                                    |
| Klonalität               | Monoclonal                                                             |
| Klon-Bezeichnung         | [B2M/961]                                                              |
| Molekulargewicht         | 12kDa                                                                  |
| Isotyp                   | IgG2b                                                                  |
| UniProt                  | <a href="#">P61769</a>                                                 |

|                        |                                                                                                                                                                                  |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | 200ug/ml of Ab purified from Bioreactor Concentrate by Protein A/G. Prepared in 10mM PBS with 0.05% rAlbumin & 0.05% azide. Also available WITHOUT rAlbumin & azide at 1.0mg/ml. |
| Target-Kategorie       | B2M                                                                                                                                                                              |
| Application Verdünnung | FACS: 0.5-1 µg/million cells, IF/ICC: 0.5-1 µg/ml, IHC-P: 0.5-1 µg/ml                                                                                                            |
| Anwendungsbeschreibung | Application Notes: Beta-2 Microglobulin (Renal Failure & Tumor Marker)                                                                                                           |
