## Product Datasheet

### **ubiquitin conjugating enzyme E2 L3 Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB556196**

|                          |                                                                                                                                                       |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | ubiquitin conjugating enzyme E2 L3 Antibody, Unconjugated, Rabbit, Polyclonal                                                                         |
| Artikelnummer            | BYT-ORB556196                                                                                                                                         |
| Hersteller Artikelnummer | orb556196                                                                                                                                             |
| Alternativnummer         | BYT-ORB556196-100                                                                                                                                     |
| Hersteller               | Biorbyt                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                            |
| Applikation              | ICC, IHC-P, IP, WB                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Zebrafish                                                                                                                               |
| Immunogen                | Carrier-protein conjugated synthetic peptide encompassing a sequence within the C-terminus region of human UBE2L3. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                                                          |
| Produktbeschreibung      | Rabbit polyclonal antibody to UBE2L3...                                                                                                               |
| Klonalität               | Polyclonal                                                                                                                                            |
| Konzentration            | 1 mg/ml                                                                                                                                               |
| Molekulargewicht         | 18                                                                                                                                                    |

|                        |                                                                                            |
|------------------------|--------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P68036</a>                                                                     |
| Puffer                 | PBS, 40% Glycerol, 0.01% Thimerosal.                                                       |
| Reinheit               | Purified by antigen-affinity chromatography.                                               |
| Formulierung           | Liquid: 1XPBS, 40% Glycerol (pH7). 0.01% Thimerosal was added as a preservative.           |
| Target-Kategorie       | UBE2L3                                                                                     |
| Application Verdünnung | WB: 1:500-1:3000 , IF: 1:100-1:1000 , IHC-P: 1:100-1:1000 , IP: 1:100-1:500                |
| Anwendungsbeschreibung | Application Notes: Positive control: Neuro2A , GL261 , C8D30 , HeLa , HepG2 , mouse testis |
