### poly(rC) binding protein 2 Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB556922

|                          |                                                                                                                         |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | poly(rC) binding protein 2 Antibody, Unconjugated, Rabbit, Polyclonal                                                   |
| Artikelnummer            | BYT-ORB556922                                                                                                           |
| Hersteller Artikelnummer | orb556922                                                                                                               |
| Alternativnummer         | BYT-ORB556922-100                                                                                                       |
| Hersteller               | Biorbyt                                                                                                                 |
| Wirt                     | Rabbit                                                                                                                  |
| Kategorie                | Antikörper                                                                                                              |
| Applikation              | ICC, IHC-P, IP, WB                                                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                       |
| Immunogen                | Recombinant protein encompassing a sequence within the center region of human PCBP2. The exact sequence is proprietary. |
| Konjugation              | Unconjugated                                                                                                            |
| Produktbeschreibung      | Rabbit polyclonal antibody to PCBP2...                                                                                  |
| Klonalität               | Polyclonal                                                                                                              |
| Konzentration            | 1 mg/ml                                                                                                                 |
| Molekulargewicht         | 39                                                                                                                      |
| UniProt                  | <a href="#">Q15366</a>                                                                                                  |
| Puffer                   | 0.1M Tris, 0.1M Glycine, 20% Glycerol, 0.01% Thimerosal.                                                                |

|                        |                                                                                                         |
|------------------------|---------------------------------------------------------------------------------------------------------|
| Reinheit               | Purified by antigen-affinity chromatography.                                                            |
| Formulierung           | Liquid: 0.1M Tris, 0.1M Glycine, 20% Glycerol (pH7). 0.01% Thimerosal was added as a preservative.      |
| Target-Kategorie       | PCBP2                                                                                                   |
| Application Verdünnung | WB: 1:500-1:3000 , IF: 1:100-1:1000 , IHC-P: 1:100-1:1000 , IP: 1:100-1:500                             |
| Anwendungsbeschreibung | Application Notes: Positive control: Raji , Neuro2A , C8D30 , NIH-3T3 , Raw264.7 , C2C12 , PC-12 , Rat2 |
