| Artikelname              | SHP1/PTPN6 Mouse Monoclonal Antibody, Clone: [8H11B10], Unconjugated                                                                                     |
| Artikelnummer            | BYT-ORB1145865                                                                                                                                           |
| Hersteller Artikelnummer | orb1145865                                                                                                                                               |
| Alternativnummer         | BYT-ORB1145865-100                                                                                                                                       |
| Hersteller               | Biorbyt                                                                                                                                                  |
| Wirt                     | Mouse                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                               |
| Applikation              | FC, ICC, IF, IHC, WB                                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                        |
| Immunogen                | E.coli-derived human SHP1/PTPN6 recombinant protein (Position: E67-K572).                                                                                |
| Konjugation              | Unconjugated                                                                                                                                             |
| Produktbeschreibung      | Anti-SHP1/PTPN6 Antibody (monoclonal, 8H11B10). Tested in Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Monoclonal                                                                                                                                               |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                |

|                        |                                                                                                                                                                                                                                                 |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Klon-Bezeichnung       | [8H11B10]                                                                                                                                                                                                                                       |
| Molekulargewicht       | 68 kDa                                                                                                                                                                                                                                          |
| UniProt                | <a href="#">P29350</a>                                                                                                                                                                                                                          |
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl and 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                                                                                                    |
| Formulierung           | Lyophilized                                                                                                                                                                                                                                     |
| Target-Kategorie       | Tyrosine-protein phosphatase non-receptor type 6                                                                                                                                                                                                |
| Application Verdünnung | Western blot, 0.25-0.5 µg/ml, Human, Mouse, Rat<br>Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml,<br>Human Immunocytochemistry/Immunofluorescence, 5 µg/ml, Human<br>Flow Cytometry (Fixed), 1-3 µg/1x10 <sup>6</sup> cells, Human |
