| Applikation              | WB                                                                                                                                                                                                                                                            |
| Spezies Reaktivität      | Zebrafish                                                                                                                                                                                                                                                     |
| Immunogen                | E.coli-derived Zebrafish GJA5A recombinant protein (Position: H95-P353).                                                                                                                                                                                      |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | Anti-Zebrafish GJA5A Antibody. Tested in WB applications. This antibody reacts with Zebrafish. The brand indicates this is a premium antibody that guarantees superior quality, high affinity, and strong signals with minimal background in Western blot ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                     |
| Molekulargewicht         | 45 kDa                                                                                                                                                                                                                                                        |

|                        |                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">F1QL21</a>                                                                    |
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> . |
| Formulierung           | Lyophilized                                                                               |
| Application Verdünnung | Western blot, 0.25-0.5 µg/ml, Zebrafish                                                   |
