| Alternativnummer         | BYT-ORB501848-100                                                                                                                                                                         |
| Hersteller               | Biorbyt                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                    |
| Kategorie                | Antikörper                                                                                                                                                                                |
| Applikation              | WB                                                                                                                                                                                        |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                     |
| Immunogen                | KLH conjugated synthesised phosphopeptide derived from human Fos B around the phosphorylation site of Ser27 QYL(p-S)SV                                                                    |
| Konjugation              | Biotin                                                                                                                                                                                    |
| Produktbeschreibung      | Phospho-Fos B (Ser27) Rabbit Polyclonal Antibody (Biotin) is a Biotin conjugated antibody targeting FOSB. This antibody is suitable for WB. It exhibits reactivity with Mouse samples.... |
| Klonalität               | Polyclonal                                                                                                                                                                                |
| Konzentration            | 1mg/ml                                                                                                                                                                                    |
| Puffer                   | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                                    |

|                        |                              |
|------------------------|------------------------------|
| Target-Kategorie       | FOSB                         |
| Application Verdünnung | WB=1:500-2000                |
| Anwendungsbeschreibung | Modification: Phosphorylated |
