| Alternativnummer         | BYT-ORB502580-100                                                                                                                                                                                        |
| Hersteller               | Biorbyt                                                                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                                                                               |
| Applikation              | IF, IHC-Fr, IHC-P                                                                                                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                                                                                                    |
| Immunogen                | KLH conjugated Synthesised phosphopeptide derived from human Tie2 around the phosphorylation site of Ser1119 DC(p-S)AE                                                                                   |
| Konjugation              | Biotin                                                                                                                                                                                                   |
| Produktbeschreibung      | Phospho-Tie2 (Ser1119) Rabbit Polyclonal Antibody (Biotin) is a Biotin conjugated antibody targeting TEK. This antibody is suitable for IF, IHC-Fr, IHC-P. It exhibits reactivity with Human samples.... |
| Klonalität               | Polyclonal                                                                                                                                                                                               |
| Konzentration            | 1mg/ml                                                                                                                                                                                                   |
| Puffer                   | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                                                   |

|                        |                                                |
|------------------------|------------------------------------------------|
| Target-Kategorie       | TEK                                            |
| Application Verdünnung | IHC-P=1:100-500, IHC-F=1:100-500, IF=1:100-500 |
| Anwendungsbeschreibung | Modification: Phosphorylated                   |
