| Hersteller Artikelnummer | orb502932                                                                                                                                                                                              |
| Alternativnummer         | BYT-ORB502932-100                                                                                                                                                                                      |
| Hersteller               | Biorbyt                                                                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                                                                                             |
| Applikation              | FC, ICC, IF                                                                                                                                                                                            |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                           |
| Immunogen                | KLH conjugated synthesised phosphopeptide derived from human AKT1 around the phosphorylation site of Tyr474 FS(p-Y)SA                                                                                  |
| Konjugation              | FITC                                                                                                                                                                                                   |
| Produktbeschreibung      | Phospho-AKT1 (Tyr474) Rabbit Polyclonal Antibody (FITC) is an FITC conjugated antibody targeting AKT1. This antibody is suitable for FC, ICC, IF. It exhibits reactivity with Human, Mouse samples.... |
| Klonalität               | Polyclonal                                                                                                                                                                                             |
| Konzentration            | 1mg/ml                                                                                                                                                                                                 |
| Puffer                   | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                                                 |

|                        |                                                   |
|------------------------|---------------------------------------------------|
| Target-Kategorie       | AKT1                                              |
| Application Verdünnung | Flow-Cyt=1µg/Test, IF=1:100-500, ICC/IF=1:100-500 |
| Anwendungsbeschreibung | Modification: Phosphorylated                      |
