## Product Datasheet

### **Fox2/RBM9/RBFOX2 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB570350**

|                          |                                                                                              |
|--------------------------|----------------------------------------------------------------------------------------------|
| Artikelname              | Fox2/RBM9/RBFOX2 Rabbit Polyclonal Antibody, Unconjugated                                    |
| Artikelnummer            | BYT-ORB570350                                                                                |
| Hersteller Artikelnummer | orb570350                                                                                    |
| Alternativnummer         | BYT-ORB570350-100                                                                            |
| Hersteller               | Biorbyt                                                                                      |
| Wirt                     | Rabbit                                                                                       |
| Kategorie                | Antikörper                                                                                   |
| Applikation              | ELISA, ICC, IF, IHC, WB                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                            |
| Immunogen                | E.coli-derived human Fox2/RBM9/RBFOX2 recombinant protein (Position: M1-Q81).                |
| Konjugation              | Unconjugated                                                                                 |
| Produktbeschreibung      | Fox2/RBM9/RBFOX2 Rabbit Polyclonal Antibody...                                               |
| Klonalität               | Polyclonal                                                                                   |
| Konzentration            | 500 µg/ml                                                                                    |
| Molekulargewicht         | 41 kDa                                                                                       |
| UniProt                  | <a href="#">O43251</a>                                                                       |
| Puffer                   | Each vial contains 4 mg Trehalose, 0.9 mg NaCl and 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> . |

|                        |                                                                                                                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                    |
| Target-Kategorie       | RNA binding protein fox-1 homolog 2                                                                                                                                                                                                                            |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml, Human, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml,<br>Human, Mouse, Rat Immunocytochemistry/Immunofluorescence, 5<br>µg/ml, Human Immunofluorescence, 5µg/ml, Mouse, Rat ELISA, 0.1-<br>0.5µg/ml, - |
