| Kategorie                | Antikörper                                                                                                                                                                                                                  |
| Applikation              | FC, IF, IHC-Fr, IHC-P, WB                                                                                                                                                                                                   |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                                                                                  |
| Immunogen                | KLH conjugated synthetic peptide derived from human Progesterone Receptor (221-320/933aa)                                                                                                                                   |
| Konjugation              | Biotin                                                                                                                                                                                                                      |
| Produktbeschreibung      | Progesterone Receptor Rabbit Polyclonal Antibody (Biotin) is a Biotin conjugated antibody targeting PGR. This antibody is suitable for FC, IF, IHC-Fr, IHC-P, WB. It exhibits reactivity with Human, Mouse, Rat samples.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                  |
| Konzentration            | 1mg/ml                                                                                                                                                                                                                      |
| Puffer                   | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                                                                      |

| Target-Kategorie       | PGR                                                                                 |
|------------------------|-------------------------------------------------------------------------------------|
| Application Verdünnung | WB=1:500-2000, IHC-P=1:100-500, IHC-F=1:100-500, IF=1:100-500,<br>Flow-Cyt=1ug/test |
