| Hersteller               | Biorbyt                                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                    |
| Applikation              | FC, WB                                                                                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                                                                         |
| Immunogen                | KLH conjugated synthetic peptide derived from human ATP receptor (251-350/471aa)                                                                                              |
| Konjugation              | Biotin                                                                                                                                                                        |
| Produktbeschreibung      | P2X2 Rabbit Polyclonal Antibody (Biotin) is a Biotin conjugated antibody targeting P2RX2. This antibody is suitable for FC, WB. It exhibits reactivity with Human samples.... |
| Klonalität               | Polyclonal                                                                                                                                                                    |
| Konzentration            | 1mg/ml                                                                                                                                                                        |
| Puffer                   | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                                                                                                        |

|                        |                                  |
|------------------------|----------------------------------|
| Target-Kategorie       | P2RX2                            |
| Application Verdünnung | WB=1:500-2000, Flow-Cyt=1ug/test |
