## Product Datasheet

### **Rabbit Sheep IgM (heavy and light chains) Antibody, Unconjugated, Polyclonal BYT-ORB21595**

|                          |   |
|--------------------------|---|
| Artikelname              | Rabbit Sheep IgM (heavy and light chains) Antibody, Unconjugated, Polyclonal  |
| Artikelnummer            | BYT-ORB21595  |
| Hersteller Artikelnummer | orb21595  |
| Alternativnummer         | BYT-ORB21595-10   |
| Hersteller               | Biorbyt   |
| Wirt                     | Rabbit  |
| Kategorie                | Antikörper  |
| Spezies Reaktivität      | Sheep   |
| Konjugation              | Unconjugated  |
| Produktbeschreibung      | Purified IgG fraction of polyclonal rabbit antiserum to sheep IgM, heavy and light chains. As unlabelled primary or secondary reagent for indirect detection techniques, to prepare conjugates with markers of the users own choice, to prepare an insolub... |
| Klonalität               | Polyclonal  |
| Formulierung             | Purified hyperimmune rabbit IgG lyophilized from a solution in phosphate buffered saline (PBS, pH 7.2). No preservative added, as it may interfere with the antibody activity. No foreign protein added.  |
