### U2AF65/U2AF2 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB654378

|                          |                                                                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | U2AF65/U2AF2 Rabbit Polyclonal Antibody, Unconjugated                                                                                       |
| Artikelnummer            | BYT-ORB654378                                                                                                                               |
| Hersteller Artikelnummer | orb654378                                                                                                                                   |
| Alternativnummer         | BYT-ORB654378-100                                                                                                                           |
| Hersteller               | Biorbyt                                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                  |
| Applikation              | ELISA, FC, ICC, IF, IHC, IP, WB                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                           |
| Immunogen                | E.coli-derived human U2AF65/U2AF2 recombinant protein (Position: M238-H470).                                                                |
| Konjugation              | Unconjugated                                                                                                                                |
| Produktbeschreibung      | Anti-U2AF65/U2AF2 Antibody. Tested in ELISA, Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                                  |
| Konzentration            | 500 µg/ml                                                                                                                                   |
| Molekulargewicht         | 65 kDa                                                                                                                                      |
| UniProt                  | <a href="#">P26368</a>                                                                                                                      |

|                        |                                                                                                                                                                                                                                                                                          |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> .                                                                                                                                                                         |
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                                              |
| Target-Kategorie       | Splicing factor U2AF 65 kDa subunit                                                                                                                                                                                                                                                      |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml, Human, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml, Human, Mouse, Rat<br>Immunocytochemistry/Immunofluorescence, 2µg/ml, Human<br>Immunoprecipitation, 0.5-2 µg/ml, Human<br>Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> |
