### Transketolase/TKT Rabbit Polyclonal Antibody, Unconjugated BYT-ORB654470

|                          |                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Transketolase/TKT Rabbit Polyclonal Antibody, Unconjugated                                                                                       |
| Artikelnummer            | BYT-ORB654470                                                                                                                                    |
| Hersteller Artikelnummer | orb654470                                                                                                                                        |
| Alternativnummer         | BYT-ORB654470-100                                                                                                                                |
| Hersteller               | Biorbyt                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                       |
| Applikation              | ELISA, FC, ICC, IF, IHC, WB                                                                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                |
| Immunogen                | E.coli-derived human Transketolase/TKT recombinant protein (Position: M1-A116).                                                                  |
| Konjugation              | Unconjugated                                                                                                                                     |
| Produktbeschreibung      | Anti-Transketolase/TKT Antibody. Tested in ELISA, Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                                       |
| Konzentration            | 500 µg/ml                                                                                                                                        |
| Molekulargewicht         | 68 kDa                                                                                                                                           |
| UniProt                  | <a href="#">P29401</a>                                                                                                                           |

|                        |                                                                                                                                                                                                                                                                                      |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.01mg NaN <sub>3</sub> .                                                                                                                                                                     |
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                                          |
| Target-Kategorie       | Transketolase                                                                                                                                                                                                                                                                        |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml, Human, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml, Human, Mouse, Rat<br>Immunocytochemistry/Immunofluorescence, 4µg/ml, Human<br>Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells, Human<br>ELISA, 0.1-0.5µg/ml, - |
