### GABARAP Rabbit Polyclonal Antibody, Unconjugated BYT-ORB692176

|                          |                                                                                                                                       |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | GABARAP Rabbit Polyclonal Antibody, Unconjugated                                                                                      |
| Artikelnummer            | BYT-ORB692176                                                                                                                         |
| Hersteller Artikelnummer | orb692176                                                                                                                             |
| Alternativnummer         | BYT-ORB692176-100                                                                                                                     |
| Hersteller               | Biorbyt                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                            |
| Applikation              | FC, IHC, WB                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                     |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human GABARAP, identical to the related mouse and rat sequences. |
| Konjugation              | Unconjugated                                                                                                                          |
| Produktbeschreibung      | Anti-GABARAP Antibody. Tested in Flow Cytometry, IHC, WB applications. This antibody reacts with Human, Mouse, Rat....                |
| Klonalität               | Polyclonal                                                                                                                            |
| Konzentration            | 500 µg/ml                                                                                                                             |
| Molekulargewicht         | 18 kDa                                                                                                                                |
| UniProt                  | <a href="#">O95166</a>                                                                                                                |

|                        |                                                                                                                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.005mg NaN <sub>3</sub> .                                                                                      |
| Formulierung           | Lyophilized                                                                                                                                                                                            |
| Target-Kategorie       | Gamma-aminobutyric acid receptor-associated protein                                                                                                                                                    |
| Application Verdünnung | Western blot, 0.1-0.25µg/ml, Human, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml, Human, Mouse, Rat<br>Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells, Human, Mouse |
