### KCNQ2 Rabbit Polyclonal Antibody, Unconjugated BYT-ORB763056

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | KCNQ2 Rabbit Polyclonal Antibody, Unconjugated                                                              |
| Artikelnummer            | BYT-ORB763056                                                                                               |
| Hersteller Artikelnummer | orb763056                                                                                                   |
| Alternativnummer         | BYT-ORB763056-100                                                                                           |
| Hersteller               | Biorbyt                                                                                                     |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | ELISA, FC, IHC, WB                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                           |
| Immunogen                | E.coli-derived human KCNQ2 recombinant protein (Position: M371-D408).                                       |
| Konjugation              | Unconjugated                                                                                                |
| Produktbeschreibung      | Anti-KCNQ2 Antibody. Tested in ELISA, IHC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                  |
| Konzentration            | 500 µg/ml                                                                                                   |
| Molekulargewicht         | 97 kDa                                                                                                      |
| UniProt                  | <a href="#">O43526</a>                                                                                      |
| Puffer                   | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> .                      |

|                        |                                                                                                                                                                                                                    |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Lyophilized                                                                                                                                                                                                        |
| Target-Kategorie       | Potassium voltage-gated channel subfamily KQT member 2                                                                                                                                                             |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml, Human, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml,<br>Human Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells, Human, Rat<br>ELISA, 0.1-0.5µg/ml, - |
