| Hersteller               | Biorbyt                                                                                                                                                                                                |
| Wirt                     | Mouse                                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                                             |
| Applikation              | IHC, WB                                                                                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                      |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human DHODH, different from the related mouse sequence by four amino acids, and from the related rat sequence by two amino acids. |
| Konjugation              | Unconjugated                                                                                                                                                                                           |
| Produktbeschreibung      | Anti-DHODH Antibody (monoclonal, 2G7). Tested in IHC, WB applications. This antibody reacts with Human, Mouse, Rat....                                                                                 |
| Klonalität               | Monoclonal                                                                                                                                                                                             |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                              |
| Klon-Bezeichnung         | [2G7]                                                                                                                                                                                                  |

|                        |                                                                                                                      |
|------------------------|----------------------------------------------------------------------------------------------------------------------|
| Molekulargewicht       | 43 kDa                                                                                                               |
| UniProt                | <a href="#">Q02127</a>                                                                                               |
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl and 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                         |
| Formulierung           | Lyophilized                                                                                                          |
| Target-Kategorie       | Dihydroorotate dehydrogenase                                                                                         |
| Application Verdünnung | Western blot, 0.25-0.5 µg/ml, Human, Mouse, Rat<br>Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml, Human |
