Product Datasheet

FGF 2 Sf9 Recombinant Protein ABI-32-1165

Artikelname	FGF 2 Sf9 Recombinant Protein
Artikelnummer	ABI-32-1165
Hersteller Artikelnummer	32-1165
Alternativnummer	ABI-32-1165-10UG
Hersteller	Abeomics
Kategorie	Proteine/Peptide
Produktbeschreibung	Source : Baculovirus. Fibroblast Growth Factor-2 Human Recombinant (FGF-2) produced in Sf9 insect cells is a single, glycosylated, polypeptide chain containing 155 amino acids and having a molecular mass of 17353 Dalton.The FGF-basic is purified by p...
Reinheit	Greater than 98.0% as determined by(a) Analysis by RP-HPLC.(b) Analysis by SDS-PAGE.
Antibody Type	Recombinant Antibody
Application Verdünnung	The ED50, calculated by the dose-dependant proliferation of BAF3 cells expressing FGF receptors (measured by 3H-thymidine uptake) is
