Product Datasheet

ACE2 (18-740) Human, Biotin **ABI-32-6634**

Artikelname	ACE2 (18-740) Human, Biotin
Artikelnummer	ABI-32-6634
Hersteller Artikelnummer	32-6634
Alternativnummer	ABI-32-6634-5UG
Hersteller	Abeomics
Kategorie	Proteine/Peptide
Applikation	FA
Produktbeschreibung	Source: HEK293 CellsSterile Filtered clear solution.ACE-2 (Angiotensin converting enzyme 2) an enzyme bound to cell membranes in various organs such as intestines arteries , lungs, heart & kidney. ACE2 an entry receptor of SARS coronaviruses as well ...
Reinheit	ACE-2 Protein is >90% pure as determined SDS-PAGE.
Application Verdünnung	ACE2 activity was measured by its binding ability in a functional ELISA. The immobilized Recombinant Human ACE2 protein binds to SARS CoV2 Spike protein Receptor Binding Domain at 2ug per ml.
