| Hersteller               | Abeomics                                                                                                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                | A partial length recombinant coronavirus Spike Protein (amino acids 970-985) was used as the immunogen for this antibody.                                                                                                                                     |
| Produktbeschreibung      | The spike (S) protein of nCoV/SARS-CoV-2/COVID-19 is one of the structural glycoproteins that remains embedded in viral envelope and acts as the fundamental component of early viral infection of nCoV/SARS-CoV-2/COVID-19 upon binding the host receptor... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                    |
| UniProt                  | <a href="#">P0DTC2</a>                                                                                                                                                                                                                                        |
| Reinheit                 | Protein A Purification                                                                                                                                                                                                                                        |
| Formulierung             | Purified                                                                                                                                                                                                                                                      |
| Application Verdünnung   | Recommended dilutions: WB: 2-4 µg/ml. However, this need to be optimized based on the research applications.                                                                                                                                                  |
