Isotype Control (Clone: G9) rabbit mAb FITC Conjugate, Clone: [KLH-G9], Rabbit, Monoclonal ABI-12-4184

Artikelname	Isotype Control (Clone: G9) rabbit mAb FITC Conjugate, Clone: [KLH-G9], Rabbit, Monoclonal
Artikelnummer	ABI-12-4184
Hersteller Artikelnummer	12-4184
Alternativnummer	ABI-12-4184-100TESTS
Hersteller	Abeomics
Wirt	Rabbit
Kategorie	Antikörper
Applikation	FACS
Immunogen	Keyhole limpet hemocyanin carrier protein.
Konjugation	FITC
Produktbeschreibung	This product is useful as an isotype control for rabbit IgG. In all assays tested, we have not observed any significant non-specific binding from this antibody. This includes flow cytometry, Western blot, ELISA, and biolayer interferometry (Octet). W...
Klonalität	Monoclonal
Klon-Bezeichnung	[KLH-G9]
Antibody Type	Isotype Control

Application Verdünnung	Isotype control antibodies should be used at the same concentration as the test antibody.
