| Artikelname              | Monoclonal Antibody to Aldehyde dehydrogenase H1L1, ALDH1L1(Clone: 4A12), Clone: [4A12], Mouse                                                                                                                                  |
| Artikelnummer            | ABI-34-1004                                                                                                                                                                                                                     |
| Hersteller Artikelnummer | 34-1004                                                                                                                                                                                                                         |
| Alternativnummer         | ABI-34-1004-100UL                                                                                                                                                                                                               |
| Hersteller               | Abeomics                                                                                                                                                                                                                        |
| Wirt                     | Mouse                                                                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                                                                      |
| Applikation              | WB                                                                                                                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                           |
| Immunogen                | Amino acids 1- 401 of human ALDH1L1 expressed in and purified from E. coli.                                                                                                                                                     |
| Produktbeschreibung      | Antibodies, Cancer Marker, Aldehyde dehydrogenase H1L1, ALDH1L1, ALDH1L1, 10840, O75891, Aldehyde dehydrogenase family 1 member L1, 4A12, Monoclonal Antibody to Aldehyde dehydrogenase H1L1, ALDH1L1(Clone: 4A12), Purified... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                      |
| Klon-Bezeichnung         | [4A12]                                                                                                                                                                                                                          |
| NCBI                     | <a href="#">10840</a>                                                                                                                                                                                                           |

|                        |                                                |
|------------------------|------------------------------------------------|
| UniProt                | <a href="#">O75891</a>                         |
| Formulierung           | Purified                                       |
| Target-Kategorie       | Aldehyde dehydrogenase H1L1, ALDH1L1           |
| Application Verdünnung | WB: 1:5,000-1:10,000. IF/IHC: 1:1,000-1:2,000. |
