| Artikelname              | Polyclonal Antibody to STAT4 (Phospho-Tyr693), Rabbit                                                            |
| Artikelnummer            | ABI-35-1046                                                                                                      |
| Hersteller Artikelnummer | 35-1046                                                                                                          |
| Alternativnummer         | ABI-35-1046-100UL                                                                                                |
| Hersteller               | Abeomics                                                                                                         |
| Wirt                     | Rabbit                                                                                                           |
| Kategorie                | Antikörper                                                                                                       |
| Applikation              | IHC, WB                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                |
| Immunogen                | Peptide sequence around phosphorylation site of tyrosine 693 (K-G-Y(p)-V-P) derived from Human STAT4.            |
| Produktbeschreibung      | Carries out a dual function: signal transduction and activation of transcription. Involved in IL12 signaling.... |
| Klonalität               | Polyclonal                                                                                                       |
| NCBI                     | <a href="#">6775</a>                                                                                             |
| UniProt                  | <a href="#">Q14765</a>                                                                                           |
| Formulierung             | Purified                                                                                                         |
| Target-Kategorie         | STAT4 (Phospho-Tyr693)                                                                                           |

|                        |                                                                                         |
|------------------------|-----------------------------------------------------------------------------------------|
| Application Verdünnung | Predicted MW: 85kd, Western blotting: 1:500~1:1000,<br>Immunohistochemistry: 1:50~1:100 |
