## Product Datasheet

### **[KO Validated] MYOF Rabbit pAb, Unconjugated, Polyclonal ABB-A15427**

|                          |                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------|
| Artikelname              | [KO Validated] MYOF Rabbit pAb, Unconjugated, Polyclonal                                       |
| Artikelnummer            | ABB-A15427                                                                                     |
| Hersteller Artikelnummer | A15427                                                                                         |
| Alternativnummer         | ABB-A15427-100UL, ABB-A15427-20UL                                                              |
| Hersteller               | ABclonal                                                                                       |
| Wirt                     | Rabbit                                                                                         |
| Kategorie                | Antikörper                                                                                     |
| Applikation              | ELISA, WB                                                                                      |
| Spezies Reaktivität      | Human                                                                                          |
| Immunogen                | Recombinant protein (or fragment).This information is considered to be commercially sensitive. |
| Konjugation              | Unconjugated                                                                                   |
| Klonalität               | Polyclonal                                                                                     |
| Molekulargewicht         | 235kDa                                                                                         |
| NCBI                     | <a href="#">26509</a>                                                                          |
| UniProt                  | <a href="#">Q9NZM1</a>                                                                         |
| Reinheit                 | Affinity purification                                                                          |

|                        |                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | WB,1:500 - 1:1000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Anwendungsbeschreibung | Cross-Reactivity: Human,Mouse. ResearchArea: Cell Biology<br>Developmental Biology,Cardiovascular. Shipping: Ice Bag                                |
