## Product Datasheet

### LPCAT3 Rabbit pAb, Unconjugated, Polyclonal ABB-A17604

|                          |                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------|
| Artikelname              | LPCAT3 Rabbit pAb, Unconjugated, Polyclonal                                                    |
| Artikelnummer            | ABB-A17604                                                                                     |
| Hersteller Artikelnummer | A17604                                                                                         |
| Alternativnummer         | ABB-A17604-100UL, ABB-A17604-20UL, ABB-A17604-1000UL, ABB-A17604-500UL                         |
| Hersteller               | ABclonal                                                                                       |
| Wirt                     | Rabbit                                                                                         |
| Kategorie                | Antikörper                                                                                     |
| Applikation              | ELISA, IHC-P, WB                                                                               |
| Spezies Reaktivität      | Human                                                                                          |
| Immunogen                | Recombinant protein (or fragment).This information is considered to be commercially sensitive. |
| Konjugation              | Unconjugated                                                                                   |
| Klonalität               | Polyclonal                                                                                     |
| Molekulargewicht         | 56kDa                                                                                          |
| NCBI                     | <a href="#">10162</a>                                                                          |
| UniProt                  | <a href="#">Q6P1A2</a>                                                                         |
| Reinheit                 | Affinity purification                                                                          |

|                        |                                                                                                                                                                        |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | WB,1:500 - 1:1000 IHC-P,1:50 - 1:200 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Anwendungsbeschreibung | Cross-Reactivity: Human,Mouse,Rat. Shipping: Ice Bag                                                                                                                   |
