## Product Datasheet

### **ANPEP/CD13 Mouse mAb, Unconjugated, Monoclonal ABB-A28548**

|                          |                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------|
| Artikelname              | ANPEP/CD13 Mouse mAb, Unconjugated, Monoclonal                                                 |
| Artikelnummer            | ABB-A28548                                                                                     |
| Hersteller Artikelnummer | A28548                                                                                         |
| Alternativnummer         | ABB-A28548-500UL, ABB-A28548-1000UL, ABB-A28548-20UL, ABB-A28548-100UL                         |
| Hersteller               | ABclonal                                                                                       |
| Wirt                     | Mouse                                                                                          |
| Kategorie                | Antikörper                                                                                     |
| Applikation              | ELISA, IF, IHC-P, WB                                                                           |
| Spezies Reaktivität      | Mouse                                                                                          |
| Immunogen                | Recombinant protein (or fragment).This information is considered to be commercially sensitive. |
| Konjugation              | Unconjugated                                                                                   |
| Klonalität               | Monoclonal                                                                                     |
| Molekulargewicht         | 110 kDa                                                                                        |
| NCBI                     | <a href="#">16790</a>                                                                          |
| UniProt                  | <a href="#">P97449</a>                                                                         |
| Reinheit                 | Affinity purification                                                                          |

|                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
