## Product Datasheet

### **RNF135 Rabbit pAb, Unconjugated, Polyclonal ABB-A9661**

|                          |                                                                                                |
|--------------------------|------------------------------------------------------------------------------------------------|
| Artikelname              | RNF135 Rabbit pAb, Unconjugated, Polyclonal                                                    |
| Artikelnummer            | ABB-A9661                                                                                      |
| Hersteller Artikelnummer | A9661                                                                                          |
| Alternativnummer         | ABB-A9661-20UL, ABB-A9661-500UL, ABB-A9661-100UL, ABB-A9661-1000UL                             |
| Hersteller               | ABclonal                                                                                       |
| Wirt                     | Rabbit                                                                                         |
| Kategorie                | Antikörper                                                                                     |
| Applikation              | ELISA, WB                                                                                      |
| Spezies Reaktivität      | Human                                                                                          |
| Immunogen                | Recombinant protein (or fragment).This information is considered to be commercially sensitive. |
| Konjugation              | Unconjugated                                                                                   |
| Klonalität               | Polyclonal                                                                                     |
| Molekulargewicht         | 48kDa                                                                                          |
| NCBI                     | <a href="#">84282</a>                                                                          |
| UniProt                  | <a href="#">Q8IUD6</a>                                                                         |
| Reinheit                 | Affinity purification                                                                          |

|                        |                                                                                                                                                     |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | WB,1:500 - 1:1000 ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements. |
| Anwendungsbeschreibung | Cross-Reactivity: Human,Mouse,Rat. ResearchArea: Epigenetics<br>Nuclear Signaling,Neuroscience,Neurodegenerative Diseases.<br>Shipping: Ice Bag     |
