## Product Datasheet

### Phospho-Lamin A/C-S22 Rabbit pAb, Unconjugated ABB-AP0777

|                          |                                                                                 |
|--------------------------|---------------------------------------------------------------------------------|
| Artikelname              | Phospho-Lamin A/C-S22 Rabbit pAb, Unconjugated                                  |
| Artikelnummer            | ABB-AP0777                                                                      |
| Hersteller Artikelnummer | AP0777                                                                          |
| Alternativnummer         | ABB-AP0777-20UL, ABB-AP0777-100UL                                               |
| Hersteller               | ABclonal                                                                        |
| Wirt                     | Rabbit                                                                          |
| Kategorie                | Antikörper                                                                      |
| Applikation              | ELISA, IP, WB                                                                   |
| Spezies Reaktivität      | Human                                                                           |
| Immunogen                | Synthetic peptide. This information is considered to be commercially sensitive. |
| Konjugation              | Unconjugated                                                                    |
| Molekulargewicht         | 74kDa                                                                           |
| NCBI                     | <a href="#">4000</a>                                                            |
| UniProt                  | <a href="#">P02545</a>                                                          |
| Reinheit                 | Affinity purification                                                           |

|                        |                                                                                                                                                                                                                                                                              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | WB,1:500 - 1:2000 IP,0.5µg-4µg antibody for 200µg-400µg extracts of whole cells ELISA,Recommended starting concentration is 1 µg/mL. Please optimize the concentration based on your specific assay requirements.                                                            |
| Anwendungsbeschreibung | Cross-Reactivity: Human,Rat. ResearchArea: Protein phosphorylation,Signal Transduction,PI3K-Akt Signaling Pathway,Cell Biology Developmental Biology,Apoptosis,Cell Cycle,Cytoskeleton,Intermediate Filaments,Death Receptor Signaling Pathway,Stem Cells. Shipping: Ice Bag |
